COURSE OVERVIEW

Imparting professional knowledge to the members is one of the key objectives of the Karachi Tax Bar Association (KTBA). Keeping this philosophy in mind KTBA had started Professional Development Program (PDP) in 2011. The present Executive Committee of the KTBA intends to take this program to further heights and is pleased to announce the Professional Development Program 2015.

This year's course has been specially designed to broaden the taxation horizon of the participants especially in the areas of direct, indirect taxation, corporate laws and accounting concepts. The course will be conducted during May 2015 to November 2015 on a fortnightly basis.

The Executive Committee believes that this course will indeed enhance the quality of knowledge and professionalism of the participants.

From this year Executive Committee has decided that after every session, participant's knowledge will be tested and the top student will be awarded with a gold medal at the closing ceremony of this program.
