Presented By: Asif Zafar

04 January 2022

Objective

- ▶ Today's session has been planned with the objective to discuss and develop some of the principles relating to withholding / collection of taxes as prescribed under the Income Tax Laws in Pakistan and its monitoring.

COLLECTION / WITHHOLDING OF TAXES

Why withholding tax?

- ▶ Pay as you earn
- ▶ To cater the working capital / day to day funding needs of the Government
- ▶ Easy recovery of tax

General rules

- ▶ Tax must be withheld unless the recipient produces a Nil withholding tax certificate or the law specifically provides for exemption from tax withholding (For instance, in the case of banks where the Seventh Schedule categorically mentions that withholding provisions are not applicable to Banks).
- ▶ Rates of withholding tax to be applied in accordance with the status of the recipient vis-à-vis –
 - ▶ Individual / AOP / Company
 - ▶ Persons appearing on the Active Taxpayers' List or otherwise
- ▶ Withholding tax may not apply for certain payments as are captured under Part IV of the Second Schedule to the Income Tax Ordinance, 2001 (“the Ordinance”)

Concept of Active Taxpayers List and Tenth Schedule

- ▶ “Active Taxpayer List” - ATL means the list instituted by the Federal Board of Revenue and includes such list issued by the Azad Jammu and Kashmir Central Board of Revenue or Gilgit-Baltistan Council Board of Revenue
- ▶ Active Taxpayers’ List (ATL) is updated on March 01 every year and is available on the FBR’s web-portal.
(<https://e.fbr.gov.pk/esbn/Service.aspx?PID=q1RI3O/iitaUIPApR6Mf0A==>)
- ▶ In case of individuals, the identification number on ATL is the Computerized National Identity Card Number / Passport Number / NICOP
- ▶ For persons other than individuals (i.e. AOP and Companies), the identification number on ATL is the National Tax Number

Concept of Active Taxpayers List and Tenth Schedule (Cont'd...)

- ▶ The concept of filers and non-filers was introduced in the Ordinance through the Finance Act, 2014. Through this concept, a distinction was created between persons who filed their tax returns and the remaining persons, who were considered non-filers. Over the years, withholding tax rates were enhanced for non-filers under various sections of the Ordinance. Such measures, however, did not bring the desired results.
- ▶ Through the Finance Act, 2019, a separate schedule (i.e., Tenth Schedule) in the Ordinance was enacted to deal with persons who are not on the ATL (i.e. who are not in the tax net and are not filing their declaration so far). In this connection, Section 100BA was introduced which governs collection or deduction of advance income tax, computation of income and tax payable by persons not on the ATL.

Concept of Active Taxpayers List and Tenth Schedule (Cont'd...)

- ▶ The Tenth Schedule generally provides that where tax is required to be deducted or collected under any provisions of the Ordinance, the rate of withholding, as prescribed under the First Schedule, will be doubled in case of persons whose name does not appear on the ATL.
- ▶ Certain exceptions has been provided from applicability of the provisions of the Tenth Schedule, some of which are –
 - ▶ Salary
 - ▶ Payments to non-residents other than payment to a PE of a non-resident for sale of goods, provision of services or execution of contract
 - ▶ Payment of profit on debt to non-resident not having a PE in Pakistan (Clause 5A)
 - ▶ Payment of profit on debt on debt instruments (Clause 5AA)
 - ▶ Payment of dividend to non-resident persons (Clause 111A, Part IV, 2nd Schedule)
 - ▶ Payment to non-resident individual holding Pakistan Origin Card (POC) / NICOP / CNIC maintaining a Foreign Currency Value Account (FCVA) or Non-resident Pakistani Rupee Value Account (NRVA) with authorized banks in Pakistan
 - ▶ Payment on account of exports
 - ▶ Tax collection under sections 235, 236 and 236I

Concept of Active Taxpayers List and Tenth Schedule (Cont'd...)

- ▶ Tenth Schedule also provides that where the withholding agent or the person from whom tax is required to be collected or deducted is satisfied that a person not appearing in the active taxpayers' list was not required to file a return of income / statement, he shall before collecting or deducting tax under this Ordinance, furnish to the Commissioner a notice in writing electronically and the Commissioner shall pass an order accepting or rejecting the contention of the withholding agent.
- ▶ The order by the Commissioner is required to be passed within 30 days of receipt of notice otherwise it will be deemed that the contention of the taxpayer has been duly accepted and approval has been granted.

- ▶ The certificate of deduction of tax is to be issued within –
 - ▶ 15 days after the end of the financial year
